

NEW STUDENT'S GUIDE

Turku University of Applied Sciences Student Union - TUO exists for every Turku UAS's student!

We are community for all our students: we monitor the interests of students, we make the students' voices heard in the decision making and in addition we organize events and enrich the student culture!

MEMBERSHIP

TUO membership is your key to amazing benefits! With just the benefits offered directly by TUO you can easily save the cost of your membership. As a member, you'll receive at least a 30% discount on TUO's events and products.

TUO members also gain access to the Slice.fi app, which provides nationwide student benefits and a digital student card. Additionally as our member you'll get products and event access at member prices from the student unions ASK, Helga, HUMAKO, JAMKO, Laureamko, METKA, and O'Diako.

You can choose a membership duration from six months up to four and a half years. Join via Kide.app!

OUR STUDENT EVENTS

Student Union TUO organizes a wide variety of events throughout the year. Our biggest event is Keltanokkabileet – the most anticipated kick-off party of each semester! Known affectionately as KNB, this event is especially designed for new students.

We offer both free and paid events, with something for everyone. Be sure to follow TUO on Instagram – we post the most up-to-date info about all our events there!

ADVOCACY

As a community we actively participate in working groups and decision-making bodies within the university of applied sciences to develop services and education, and to ensure quality.

We also collaborate with other student unions and associations both in Turku and nationwide. As a member you can for example take advantage of legal advice offered by Lex ry the student association for law students at the University of Turku.

We continuously engage in advocacy work as the voice of students. This includes dialogue with decision-makers and providers of student healthcare services.

TUO LOUNGE

TUO Lounge is a meeting place for students. You'll find TUO Lounge on the EduCity campus' 2nd floor in room 2069 Kahvio! You can also check its location in the TUUDO app.

Feel free to drop by anytime during your school day, grab a hot drink and browse student overalls patches or Turku UAS-branded clothing. You'll also find the student union personnel at TUO Lounge, ready to help you with anything you need.

Welcome to TUO Lounge!
